ONE-HOUR-EARLY-DAY MATTER WILL BE PROBED

The members of the special Chamber of Commerce committee which has under consideration the proposed project of setting the hands of the clock forward one hour, which would mean beginning the working day one hour earlier and closing it one hour earlier, today commenced an investigation into all angles of the matter which is expected will result in a comprehensive report either in favor of or against the project. The investigation was decided upon at a meeting of the committee yesterday afternoon, at which time it was voted that no recommendations be made until the probe is complete. The committee is composed of nine representative business men.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

Don't hesitate! A laxative is necessary if tongue is coated, breath bad or stomach sour.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When crows, irritable, feverish, stomach sour, breath bad or has stomachache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels, without griping, and you have a well-playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels, and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" and then see that it is made by the "California Fig Syrup Company." Don't be fooled!—advertisement.
